SIGHTED SEAL - SANK SAME

A white seal was spotted off Harbor Beach Club last Wednesday. The animal was lying on his (or her) back on a comfortable rock near the shore, basking in the sun. I attempted to approach close enough for a picture by crawling from rock to rock in sneakers. Mighty seal hunters I am not. With a bored roll the seal launched himslef and submerged to be seen no more.

The rehearsal for the Pomona program will be Thursday, February 28th, at 3 o'clock. All officers are requested to be present. The officers are to put on a demonstration meeting and program for Sippican Pomona Saturday afternoon, March 2nd, in the Marion Grange Hall.

The February birthdays were observed under the direction of the lecturer, Marilyn Lewis. For January, America was sung and a poem, "Girl Scout Cookies", was read by Joanne Peirce, honoring Girl Scouts. The bubble gum contest was won by Kathy Alves in the girls' group and David Bradley in the boys' group, for the biggest bubbles. For February, a poem was read on George Washington by Doris Fearing. This was followed by a "gum game".

For March, Leslie Lewis read a poem on St. Patrick and this was followed by a potato relay game with all participating. Mr. Westgate and Miss Westgate were the judges.

The program closed with all singing the Battle Hymn of the Republic.

Doris Fearing, David Rawcliffe were the refreshment committee, assisted by Dale Fearing.

The next meeting, March 8th, will be mix-up night with the only regular officer being the master; other officers will be drawn by the Junior members from a hat. Come and see who will be what.

CITIZEN'S SCHOLARSHIP MEETING

A second meeting for the purpose of forming a citizen's scholarship foundation was held at the Old Rochester Regional High School which attracted a new group of ten interested townspeople. At this meeting Mr. Norman J. Cartmill of Marion was elected to serve as president and Mr. Horace D. Darrah of Mattapoisett, vice-president.

Mr. Darrah gave a review of the plan for the new persons present. He gave credit for much of the success of the Fall River Plan founded by Dr. Irving A. Fradkin, a Fall River optometrist, to the work of the National Foundation in setting up workshops in various places. Dr. Fradkin will speak at an open meeting at the high school on Friday, March 15. He will be accompanied by Mr. Fred Margolis of New Bedford who is executive secretary of the foundation.

Mr. Cartmill announced that sixty-seven letters had been sent out by the publicity committee to heads of organizations in the three towns explaining the great need for a community scholarship program and asking the support of every citizen, club and student in the communities in order to bring about the success of the plan. The letters urged that every civic minded citizen plan to attend the meeting to hear Dr. Fradkin and bring along a friend or neighbor.

It is intended that the organization shall be of the character described in the provisions of Section 501 (c) 3 of the Internal Revenue Code of the United States." Article I stated that the name of the new organization would be The Old Rochester Regional School District Scholarship Fund. The by-laws will be studied by the members and voted on in the near future.

Many questions were asked regarding the set-up of the scholarship plan for this district and Mr. Cartmill and Mr. Darrah answered these as suggested by the National Foundation, but emphasized that the local plan would definitely be set up for the needs of this community.
